

Metabolic Complete

Antioxidants - CoEnzymeQ10

60 - 600 mg Capsules per Bottle

Price: \$79.95

Here's the short story -

- Free Radicals are toxins that damage cells and DNA.
- Antioxidants neutralize free radicals

Over 30,000 published studies have documented the link between "Free Radical Activity" and "Cell Damage". In fact, **low levels of antioxidants have been linked to over 100 diseases such as cancer, diabetes, osteoporosis and heart disease.** And yet the *Standard American Diet* (SAD) remains *severely* deficient in antioxidants. That is SAD... but it is also true.

Metabolic Complete is 50 times more potent than vitamin C and other related antioxidant sources providing maximum protection against free radicals. It also supports the vital metabolic cell functions of your body and is able to cross the blood-brain barrier.

Metabolic Complete is made with all standardized nutritional ingredients and formulated to deliver the highest possible bioavailability. The formulation is based on the research of two time Nobel Prize winner Dr. Linus Pauling's research on cancer prevention and reversal.

Key Benefits:

- Assures maximum protection from environmental free radical damage
- Supports vital cell functioning with increased nutrition
- Increases nutrient delivery to the cells in a form absorbable at the cellular level
- Provides a complete array of vital nutrients from natural sources to help balance the metabolic systems

Proprietary Blend:

CoEnzymeQ10 -

CoQ10 is a miracle nutrient for the heart and cardio-vascular system. Inadequate amounts of CoQ10 can cause our body's cells to age and become damaged prematurely. Metabolic Complete also contains chlorophyll from Kelp and Algae to help oxygenate the blood. This formulation also contains Grapeseed extract, standardized to 95% and proanthocyanidins, the most effective anti-oxidant yet discovered to neutralize the damaging environmental free radicals.

Shark Cartilage -

Proven to be effective against cancer and high in polysaccharides and analgesic properties.

White Pine Bark Extract -

White Pine Bark has shown an ability to cross the blood brain barrier and is one of the most effective free radical scavengers.

Cats Claw (*uncaria tomentosa*) -

Cats Claw for healthy immune system functioning and whole food micro-nutrients to support metabolic activity that is impaired as a result of our modern day 'fast food' diets.

MSM, essential for cell function

Norwegian Kelp

Grapeseed Extract

GR8CF-77™ Proprietary blend of 77 ionic-form trace minerals
